

Sample e-Letter to Friends and Family in GA Warning Georgia Voters that Warnock and Ossoff are Dangerous “Defund the Police” Socialist/Marxists

Dear XXXXX,

I’m writing you today because you will not hear this from Big Tech social media giants or the mainstream media that the two New Democrat Senate candidates in Georgia are pro-abortion zealots, favor open borders, and anti-safety “Defund the Police” elitist socialist/Marxists.

The upcoming elections for U.S. Senate will decide who controls Congress and who could control and decide the very fate of our republic.

It isn’t a stretch to say that if the New Democrats control both Houses in Congress and the White House, we could be witness to the end of our nation as we know it.

In fact, if New Democrat Raphael Warnock has any say, we could be witness to the ushering in of a new socialist nation.

You see, Rev. Raphael Warnock has been called the most radical candidate to ever run for US Senate, according to Black Pastor and activist Bishop E.W. Jackson.

Not just from Georgia – from anywhere!

He’s even more radical than Kamala Harris! As the Atlantic wrote, Warnock “opposes all abortion restrictions.” All restrictions!

Of course, his New Democrat running mate Jon Ossoff is really no different.

That’s why I’m writing you.

I don’t believe either Warnock or Ossoff should be allowed anywhere near the Senate.

Just take a look at some of their positions on a few key issues:

- Both Jon Ossoff and Raphael Warnock support abortion on demand, and taxpayer funded abortions.

- Both Warnock and Ossoff want to not only keep, but expand, Obamacare, that means your private health care insurance will be abolished.
- Both the democrat candidates support efforts to defund the police. This would nationalize the police, making your hometown police employees of the Federal Government – that means Biden, Pelosi, AOC, and the New Democrats will give them their “marching orders.”
- And both Ossoff and Warnock support the job-killing “Green New Deal” and returning the U.S. to the Paris Climate Accords resulting in sky-high unemployment and even posing a risk to your retirement fund.

On top of all that, both Jon Ossoff and Raphael Warnock idolize socialist leaders and causes.

In 1995 Warnock even welcomed Fidel Castro in to speak at the church he was assistant pastor of in New York City! And in 2016 after Castro’s death Warnock defended Castro’s legacy as “complex,” comparing it to the legacy of the United States of America.

And Ossoff has repeatedly tried to hide his business ties to a Chinese Communist Party entity, PCCW Media, and its chairman Richard Li who has been a vocal opponent of Hong Kong independence.

No wonder they’ve been supported by Bernie Sanders and the radical Working Families Party (a George Soros funded ultra-liberal group).

And no wonder so many socialist activists across the nation have descended on Georgia in these last few weeks to turn out and support Ossoff and Warnock.

So, I decided to do my small part and write to you and urge you, no beg you, to turn out and vote for Kelly Loeffler and David Perdue on January 5th.

And, to please contact everyone you know and urge them to do the same

They say this race is going to be awfully close. So I would urge you to share this note with everyone you know who lives in Georgia.

Sincerely,
