Richard A. Viguerie, Chairman

Then I heard the voice of the Lord say,
"Whom shall I send?" and
"Who will go for us?"
And I said, "Here am I. Send me!"
- Isaiah 6:8

Saving America by providing information to millions of conservative volunteers acting as modern-day Paul Reveres bypassing the biased mainstream media and Big Tech to educate their family, friends, neighbors, and others to BRAND the Democrats as open-borders, anti-police, anti-God, Socialist/Marxist dictators.

AOC/Schumer And Pelosi (ASAP) Socialist/Marxist Rating Guide

MANASSAS, Virginia – In April, FedUp PAC will begin publishing a quarterly voter guide that reveals how each Democrat Member of Congress aligns with Nancy Pelosi, Alexandria Ocasio-Cortez, and Chuck Schumer based on their votes on key issues.

Richard A. Viguerie, Chairman of FedUp PAC, announced today, "FedUp PAC's ASAP rating guide will, for the first time in politics, rate how each Democrat member of Congress's voting record compares to Alexandria Ocasio-Cortez (AOC), Chuck Schumer, and Nancy Pelosi."

Results on how Democrat Members of Congress align themselves with AOC, Schumer, and Pelosi, will be posted on FedUp PAC's website on a quarterly basis (www.FedUpPAC.org/ASAP).

Additionally, this guide will be sent to all Republican congressional candidates and local, state, and national news outlets, as well as major conservative donors, political action committees, and millions of conservative grassroots activists, urging they share this guide with family, friends, neighbors and others.

The first of these guides will rate Democrat Members of Congress on key votes cast in the 116th Congress (2019 – 2020). Also available in April will be votes cast in the first quarter of the 117th Congress (2021).

A special emphasis will be placed on H.R. 1 and S. 1, perhaps one of the most consequential votes in American history. And because that bill is about election theft, expanding voter fraud, and creating permanent Democrat power in Washington, it will be counted as three votes.

Democrat House members like Cindy Axne (IA-3) who won with only 48.9% of the vote, or Abigail Spanberger (VA-7) who barely won with 50.3%, and Tom O'Halleran (AZ-1) who squeaked out 51.6% to win probably don't want to have regular updates going to their constituents pointing out their support for the Pelosi/AOC radical socialist/Marxist agenda.

And in the U.S. Senate, Democrat Senators will have their votes compared to how Senator Schumer has voted.

“FedUp PAC’s ASAP rating system will cause a national spotlight to shine on congressional Democrats close political connection to New York’s AOC and Chuck Schumer, and to San Francisco’s Nancy Pelosi. Depending on their congressional votes, they may be **BRANDED** by their Republican opponent as radical, anti-God, open borders, anti-safety, elitist AOC/Schumer/Pelosi Democrats,” concluded Viguerie.
