**Conservative Paul Revere Riders Action E-mail #42**

Dear Conservative Paul Revere Rider,

As you may have seen, seventeen states filed a brief with the Supreme Court supporting a Texas lawsuit aimed at delaying the appointment of Presidential electors from Georgia, Pennsylvania, Michigan and Wisconsin because of the widespread 2020 election fraud and voting irregularities.

The Texas suit is saying that these states acted unconstitutionally when either their judiciaries or executive branches changed their elections laws shortly before election day.

Finally, some leadership initiative from the GOP.

I can't help but believe that all the work you and all of the other CPR Riders are doing to provide leadership is having an effect.

That's why I am asking you to continue showing our brand of conservative leadership by forwarding FedUp PAC's unique sample voter ***e-Letter*** series to help elect the two Republican Senators in Georgia.

Unlike any other conservative or GOP organization our sample voter ***e-Letters*** (sample e-mail letters) are design specifically for the Georgia Senate runoff election. They allow you and other conservatives to cut-and-paste into an e-mail or personalize and send to family and friends who live in Georgia to help educate, convince, and encourage them to vote for the two Republican Senate candidates: Kelly Loeffler and David Perdue.

Today's sample voter ***e-Letters*** focus on **Evangelicals** and **Suburban Women** (two vitally important voting groups that the Republicans need our help with) and how a Republican controlled Senate will be their champion on issues of concern to them, and why these Republican Senate candidates deserve their vote.

- For those family and friends of yours who live in Georgia and are Evangelicals, this sample voter **e-Letter** lets them know that both

New Democrat Georgia Senate candidates have been endorsed by the ultra-liberal pro-abortion groups Planned Parenthood and NARAL and that they are a threat to their religious liberty.

- For those family and friends of yours who live in Georgia and are Suburban Women, this sample voter [e-Letter](#) is full of reasons why the New Democrat Georgia Senate candidates are the anti-safety candidates that will look the other way when rioters come into their neighborhoods.

For today's action item, please send these sample voter **e-Letters**, or bits and pieces that you feel apply, to all [Evangelicals](#) and [Suburban Women](#) you know who live in Georgia to help educate them that it is vitally important, and in their best interest, to vote for the two Republican Senate candidates in the Georgia Senate runoff elections.

Can you please:

- 1.) **Send** an e-mail using these sample voter [e-Letters](#) to all your Evangelical and Suburban Women family and friends who live in Georgia to educate them about the Republican Senate candidates' strong pro-life record, their vigilant defense of religious liberty, and pro-safety beliefs.
- 2.) **Post** these sample voter [e-Letters](#) on your Facebook page, tweet them out to your Twitter followers, and post them on other social media sites to provide a sample for others to share about why Evangelicals and Suburban Women who live in Georgia need to re-elect the two Republican Senate candidates.

It may come down to just 2 to 3 percentage points in the Georgia Senate runoff elections that could help push Loeffler and Perdue on to victory January 5th. In essence, the voters in Georgia hold the future of America itself in their hands.

In the coming days, we will have several new hard-hitting videos on the New Democrats' Defund the Police, anti-safety, and pro-abortion agenda should Warnock and Ossoff win in Georgia.

Please return to our website [www.FedUpPAC.org](http://www.FedUpPAC.org) in the coming days to view these new important voter education videos. And once you've seen them, please forward to family and friends in Georgia.

It's CRUCIAL that you and I continue provide the type of leadership that will energize the conservative grassroots and others in Georgia to help keep Republicans in control of the U.S. Senate. The future of America depends on it!

For a free and prosperous America,

Richard A. Viguerie
