Then I heard the voice of the Lord say,  
“Whom shall I send?” and  
“Who will go for us?”  
And I said, “Here am I. Send me!”

*e-Report #21*

## **Joe Biden, Kamala Harris, and the Democrat Party want to FORCE YOU TO SUPPORT ABORTION**

For more than 50 years, Americans haven't had to pay for abortion with their federal taxes, thanks to the legislation known as the Hyde Amendment. This was a compromise reached by Congress after the Supreme Court legalized abortion in *Roe v. Wade*. The Hyde Amendment has been especially important for Americans who oppose abortion on religious or other grounds. Abortion may be legal, but at least we don't have to pay directly with our taxes to have unborn babies or partially born babies (infanticide) flushed down a toilet or burned in an incinerator.

For more than 50 years, Democrats agreed with this compromise. But starting in 2016, with the failed Presidential campaign of Hillary Clinton, they said **YOU** should have to pay for abortions whether you approve of them or not. Your conscience be damned. With the capture of the Democrat Party by the revolutionary Left, they promised to kill the Hyde Amendment. They have failed so far because Donald Trump won the White House and became the most pro-life President since *Roe v. Wade*.

**This year the Democrats see their best chance to kill the Hyde Amendment and force you to pay for abortions. All they need is to capture the entire federal government in November—the White House, Senate, and House of Representatives.**

Joe Biden, their Presidential candidate, used to be for the Hyde Amendment, and took that position again in the 2019 Democrat primary debates. But “Sleepy Joe” had not realized how completely the revolutionary Left has taken over the Democrat Party. Under intense pressure from the other serious candidates, “Spineless Joe” flip-flopped. As the *New York Times* noted, “Less than 48 hours after his initial statement, Mr. Biden changed his mind.” He will now support legislation to kill the Hyde Amendment.

Kamala Harris, Biden's choice to be his Vice President, was one of the top Democrats to pressure him to change his position during the debates. There has never been any doubt where she stands—she is for abortion on demand and against the Hyde Amendment. And she has visions of becoming President herself within years, or perhaps months given Biden's health and age.

In Congress, the “Each Woman Act” has been the Democrats' proposed legislation to kill the Hyde Amendment and promote abortion on demand. In the House, its sponsor and all 183 co-

sponsors are Democrats. In the Senate, its sponsor and all 24 co-sponsors are Democrats. And

the *Los Angeles Times* reports that House Speaker Nancy Pelosi has told House Democrats privately that she plans to kill the Hyde Amendment in 2021. Knowing that polls show Americans overwhelmingly favor of the Hyde Amendment, she's admitting nothing publicly before the election. Her spokesman evades the question by saying "The House will work its will."

In fact, the Democrats are now so totally captured by the revolutionary Left that they will not allow any dissent within the party. Eight-term congressman Dan Lipinski of Illinois was one of only four Democrats left in the House to oppose abortion, and he was defeated by a Leftist abortion zealot in his 2020 primary, with millions in out-of-district dollars spent to defeat him. Support for abortion "is an absolutely essential part of being a Democrat," asserts Democrat Socialist Senator Bernie Sanders.

They demand that all Democrats support abortion, **and** they demand that you support abortion with your tax dollars.

## **The Choice Is Clear**

The 2020 Democrat platform: "We will repeal the Hyde Amendment."

The 2020 Republican platform: "We assert the sanctity of human life... We oppose the use of public funds to perform or promote abortion."

Marjorie Dannenfelser, president of the pro-life Susan B. Anthony List: "President Trump has acted on the will of the American people from day one by doing everything in his power to stop taxpayer-funded abortion."

**Vote Republican in November to protect your conscience by not being forced to pay for abortion with your taxes.**
