Then I heard the voice of the Lord say,  
“Whom shall I send?” and  
“Who will go for us?”  
And I said, “Here am I. Send me!”  
- Isaiah 6:8

## The Democrats have brought ruin to Portland, Oregon Do you want your neighborhood to be next?

**Portland Police Bureau photo**

Over 100 days of rioting!  
Arson! Looting and  
destruction!  
Neighborhood invasions!  
Trump supporter  
murdered!

**And the Democrat  
governor, mayor, and  
city council have done  
nothing to stop it!**

**Instead they support the  
rioters!**

Corinne Foster, 63: “It’s destroyed our town. It’s destroyed our downtown. Most of our buildings have graffiti. I love this city and I want to stay, but I’m afraid.”—*Washington Post*, September 3

“In the neighborhoods of Portland...many residents say living near the protests feels similar to **‘living in a war.’**”—*Breitbart*, August 26

Greg Goodman, co-president of the Downtown Development Group, says businesses are fleeing—including Daimler Chrysler, AirB&B, Banana Republic, Microsoft (permanently

closing their retail store), and Google. “The number is like nothing I have seen in 42 years of doing business in downtown.”

Blocks and blocks of businesses boarded up with plywood. Graffiti everywhere. Vandalism everywhere. Rioters attack a police station in a residential neighborhood and the federal courthouse. They burn a severed pig’s head wearing a cop’s hat, an American flag, and a Trump flag. Weapons used by the rioters against police include rocks (weighing up to 10 pounds), bottles, commercial-grade fireworks, golf balls, ball bearings, metal railroad spikes, cans of paint, feces, urine. Police are blinded by their laser beams.

Many of the rioters carry shields and wear helmets, gas masks, and body armor.

They point lights into the windows of residential homes and chant “Out of your house, into the streets.”

Now the revolutionary aims of the Black Lives Matter and Antifa rioters are made clear by the guillotine they use in their protest parades (see photo). And one of them kills a peaceful Trump supporter, identified by his hat. Before this Antifa-supporter was killed himself while resisting arrest, he posts on social media: **“It will be a war and like all wars there will be casualties.”**

## **And what is the response of the Democrats?**

Mayor Ted Wheeler (Democrat) says “I stand in solidarity with our nonviolent [!] demonstrators,” and criticizes the police for their use of tear gas to ward off the rioters. He joined a protest and demanded that federal agents sent to help stop the riots in Portland be removed.

The other four members of the City Council (all Democrats) defend the protestors and cut \$15 million from the budget of the Portland Police Bureau (to eventually become \$27 million in cuts).

District Attorney Mike Schmidt (Democrat) announced that he will not prosecute various crimes by the rioters, including most charges of interference with a police officer, disorderly conduct, criminal trespass, and harassment of police officers.

Oregon House Speaker Tina Kotek (Democrat), who represents North Portland, blames the police for allegedly escalating the violence.

And Oregon Governor Kate Brown (Democrat) refuses to call up any of the 7,800 members of the Oregon National Guard to help the local police. Instead she announces she may release as many as 400 prisoners from state jails for fear that they might be infected with the coronavirus.

And, of course, prominent national Democrats support these state and local Democrats. Speaker of the House Nancy Pelosi (Democrat) calls the federal officers in Portland “stormtroopers.” And House Majority Whip Rep. James Clyburn (Democrat) calls them “Gestapo.”

## **Will your neighborhood be next?**

Portland's fate is a warning to Americans everywhere. Democrats control Oregon's state government and Portland's city government. Like the national Democrat party, they support the rioters and seek to defund the police. **This is what can happen to your neighborhood if the Democrats win the presidency and the Senate in November.**

**Vote to restore law and order. Vote Republican and vote for President Donald Trump.**
