## *e-Report #6*

# **Hello Evangelicals & Catholics - You Will Now be Forced to pay to Kill Babies You will be complicit in abortions if the New Democrats win the Georgia runoff elections**

It is no secret that the Democrat Party has championed abortion-on-demand since the advent of legalized child-killing by the **Roe v. Wade** decision in 1973. But for a few decades after this legal abomination from the Supreme Court, Democrat leaders gave at least lip service to different opinions within their party, recognizing as much in their [platform](#).

And for every federal budget passed since 1977, Americans who oppose abortion have been protected from complicity in abortion via their tax dollars by legislation known as the **Hyde Amendment**. The Hyde Amendment prohibits the use of U.S. tax dollars for abortion – except in the most extreme cases.

No longer, say the radical New Democrats.

Joe Biden, Kamala Harris, Nancy Pelosi, and Chuck Schumer, along with the two New Democrat Senate candidates in Georgia, Raphael Warnock and Jon Ossoff (both of whom have been endorsed by ultra-liberal pro-abortion groups Planned Parenthood and NARAL), all support the repeal of the Hyde Amendment.

And should Warnock and Ossoff win in January, the New Democrats will have **TOTAL** control of the Federal Government and move quickly to repeal the Hyde Amendment.

If Hyde is repealed, that means you and every other American, regardless of your disapproval of abortion, will now be unwilling partners in the murder of the unborn since your tax dollars would now be used to fund abortion on a massive scale.

## **Background – the run up to 2020**

In 2016, with the failed Presidential campaign of **Hillary Clinton**, the Democrat Party platform called for Hyde's repeal for the first time. They said **YOU** should have to pay for abortions whether you approve of them or not. Your conscience be damned.

Fortunately, candidate **Donald Trump** declared his unequivocal [pro-life stance](#) in opposition to Clinton and the radical Left, providing a clear choice to Evangelical Protestant and Catholic voters. He was able to win 52.4% (to Hillary's 45%) of the Catholic vote in 2016 partly because he pledged to appoint only pro-life people to the Supreme Court.

Trump's unabashed pro-life appeal allowed him to win narrow victories in the key battleground states of **Michigan, Pennsylvania, Iowa, and Florida** where there are large numbers of Catholic voters.

### **NEW RADICAL DEMOCRATS DEMAND CONFORMITY ON ABORTION**

But even the total shock to Democrats of Trump's 2016 victory did not chasten these New Radicals.

- In 2017, **Democratic National Committee Chairman Tom Perez** [declared](#) "that every Democrat, no matter where they live, must support a woman's right to choose." He said such support was 'not negotiable.'
- Two-time (and twice-defeated) socialist Presidential candidate **Bernie Sanders** [said](#) that "support for abortion 'is an absolutely essential part of being a Democrat.'" Undoubtedly, keeping Sanders' socialist supporters onboard for the November general election figures massively in the New Democrats' abortion extremism.

### **RADICAL NEW DEMOCRATS PUSH IDEOLOGY-DRIVEN INFANTICIDE**

Just recently in the US Senate, 44 of 47 Democrat Senators voted against legislation to protect the lives of healthy babies accidentally born alive after a botched abortion - allowing the killing of live babies after they are born (also known as infanticide).

- The **Democrat Governor of Virginia, Ralph Northam**, defended this idea in a radio interview. Here's how he said a baby born alive would be killed:  

“The infant would be delivered. The infant would be kept comfortable. The infant would be resuscitated if that's what the mother and the family desired, and then a discussion would ensue between the physicians and mother.”

- Governor Northam made these comments a few days after the **Democrat Governor of New York, Andrew Cuomo**, signed into law legislation that allows abortion up until the moment of birth.
- Cuomo ordered the lighting up of the New York City skyline with bright pink light to celebrate New York's new law legalizing infanticide.
- Governor Cuomo also declared in a press conference that pro-life Americans "have no place" in New York State.

Today's Radical New Democrat Party has become the party of late-term abortion, partial-birth abortion and even the party of killing live healthy babies after they are born.

## **Georgia is the Whole Ballgame**

And now the Democrats are back again in 2020/21 with their platform to kill the Hyde Amendment and force you to pay for abortions. All they need is to capture the entire Federal Government by winning both Senate seats in Georgia's runoff elections.

The groundwork has already been laid:

- The Los Angeles Times [reports](#) that **Speaker of the House Nancy Pelosi** has told some House Democrats that she will kill the Hyde Amendment in 2021.
- Democrat President-elect **Joe Biden** used to support the Hyde Amendment, but under pressure during the 2019 Democrat debates, including from his current running mate **Kamala Harris**, he flip-flopped. As the New York Times [noted](#), "Mr. Biden changed his mind," and now supports killing Hyde.
- In Congress, the "Each Woman Act" has been the Democrats' proposed legislation to kill the Hyde Amendment and promote abortion on demand. In the House, its sponsor and all 183 co-sponsors are Democrats. In the Senate, its sponsor and all 24 co-sponsors are Democrats.
- One of only four Democrats left in the House to oppose abortion, **Dan Lipinski of Illinois**, was [defeated](#) by a leftist abortion zealot in his 2020 primary, with millions in out-of-district dollars spent to defeat him.

But not only do radical New Democrats require lock-step conformity with their extreme abortion ideology within party ranks, they are happy to impose it on you through the courts as well.

- In June, the Supreme Court in a 5-4 decision [struck down](#) "a Louisiana law requiring that individuals who perform abortions at clinics have admitting

privileges in a nearby hospital,” for the purpose of ensuring patients’ health and safety.

- The four liberal justices on the court were joined by **Chief Justice John Roberts**, who wrote in his concurring opinion that “while he still believes that the past case was wrongly decided, he was ruling with the majority in the present case due to court precedent.”

So, a radical New Democrat controlled Senate, along with mentally and politically compromised “Sleepy Joe” in the White House, will ensure an insurmountably radical Supreme Court as well. And guarantee that your tax dollars kill babies, before or after they’re born.

## **Conclusion**

The New Democrats extreme abortion agenda serves their objective of weakening the family and thereby society, to pave the way for no individual bonds or allegiances to anything but the State – in a word, socialism. “You may not care about abortion, but abortion cares about **YOU**.” You’ve no doubt heard this turn of phrase on other issues over the years.

Regardless of your concern about others’ attitude toward, or even recourse to, abortion, with the Democrats in control of the White House, the House of Representatives, and if they regain the Senate, **YOU WILL BE MADE TO CARE**.

And made complicit with your tax dollars. (Never mind that [polls](#) show repeatedly and decisively that Americans do not support taxpayer-funded abortion: “These polls aren’t close. The average gap between the pro-funding and anti-funding positions is 19 percentage points.”)
